Title of unit: Macbeth **Key Stage:** 3 **Duration:** 6 Weeks

Overview:

- The purpose of the unit is to introduce, recap or extend pupils' understanding of Shakespeare through reading, writing and dramatizing his famous play *Macbeth*. In addition, and possibly more importantly, a primary consideration in delivering the unit is making the play enjoyable, engaging and accessible for the pupils. Pupils will not be expected to read the original text, but depending on their ability, study it through a variety of different texts and/or approaches. For example, using a storybook version to access the play with key scenes from the text to develop understanding.
- The unit also allows the pupils an opportunity to recap and extend their PEE-writing skills through analysing the language in the play.

Key Outcome (Assessment): <ul style="list-style-type: none"> Pupils complete a PEE-type essay on a selected question about the play <ul style="list-style-type: none"> How the witches foreshadow Macbeth's fate in the first three scenes of the play How Shakespeare presents Lady Macbeth in the play 	Assessment Focuses: <p>Reading</p> <p>AF2 - understand, describe, select or retrieve information, events or ideas from texts and use quotation and reference to text</p> <p>AF3 - explain and comment on writers' use of language, including grammatical and literary features at word and sentence level</p> <p>AF6 - identify and comment on writer's purposes and viewpoints and the overall effect of the text on the reader</p>
Key Questions: <ul style="list-style-type: none"> When did William Shakespeare write <i>Macbeth</i>? What are the themes in the play? What are the characters of <i>Macbeth</i> and <i>Lady Macbeth</i> like? How has the play been adapted for different audiences? Why has the play been adapted for different audiences? 	Key Vocabulary: <ul style="list-style-type: none"> William Shakespeare Elizabethan Theatre Tragic Fallacy Foreshadowing Manipulation and Persuasion Adaptation

LEARNING OBJECTIVES: KS3 NATIONAL CURRICULUM KEY PROCESSES

Speaking and Listening 2.1:

- Listen and respond constructively to others, taking different views into account and modifying their own views in the light of what others say.
- Sift, summarise and use the most important points.
- Use different dramatic approaches to explore ideas, texts and issues.
- Use different dramatic techniques to convey action, character, atmosphere and tension.
- Explore the way that words, actions, sound and staging combine to create dramatic moments.

Reading 2.2:

- Extract and interpret information, events, main points and ideas from texts.
- Infer and deduce meanings, recognising the writers' intentions.
- Understand how audiences and readers choose and respond to texts.
- Understand how meaning is created through the combination of words, images and sounds in multimodal texts.
- How writers structure and organise different texts, including non-linear and multimodal.
- How texts relate to the social, historical and cultural context in which they were written.

Review any Shakespearean Play: Macbeth, Hamlet, Romeo and Juliet, Othello, The Tempest, King Lear, etc. At last he shakes himself from his reverie and the group departs for Forres. Our initial impression of Macbeth, based on the captain's report of his valor and prowess in battle, is immediately complicated by Macbeth's obvious fixation upon the witches' prophecy. Their rhyming incantations stand out eerily amid the blank verse spoken by the other characters, and their grotesque figures of speech establish a lingering aura. It also suggests that Macbeth is the focus of the drama's moral confusion. Macbeth and Banquo enter with Ross and Angus. Their conversation is interrupted by the arrival of Ross and Angus, who have come to convey them to the king. Named one of Time's top 10 graphic novels of 2013, Saga follows two star-crossed extraterrestrials, Alana and Marko, who fall in love despite the fact that their races have long been at war. Photo Courtesy: DC Comics There are over 150 Fables comic books as of this writing, most of which are available as multi-issue graphic novels. Macbeth contains some of Shakespeare's most vivid female characters. We3 will be a hard read for pet parents and animal lovers, as animal cruelty is one of this project's most intrinsic themes. Ross leaves to deliver the news to Macbeth. As the story unfolds, 15-year-old Maggie is surprised to find herself crushing on an older girl named Erin, who works as a counselor. How perfect is that if you're looking for something binge-worthy and all-consuming? But the cruelty, violence, and tragedy presented in this narrative aren't without merit. Photo Courtesy: Amazon If you're looking for something to really sink your teeth into, a new galaxy to get lost in while you shelter in place, this critically acclaimed series should do the trick — and not just because it's won over two-dozen Harvey and Eisner awards. If you're new to the graphic novel scene and are looking to dip a toe into its deep waters, then you've come to the right place. Photo Courtesy: Wikimedia Commons Full of chilly, blue-toned artwork meant to highlight the bleakness of the subject matter and the "arctic climate" of the author's family, Fun Home is an intimate, mesmerizing example of a graphic memoir — and a graphic novel — at its finest. Read more about how the setting shapes Macbeth. The witches also declare that Macbeth will be king one day. The married duo at the center of this space-age Romeo and Juliet epic struggle to care for their daughter Hazel and find safety as they combat a Star Wars-esque evil empire. Stunned and intrigued, Macbeth presses the witches for more information, but they have turned their attention to Banquo, speaking in yet more riddles. Vaughan (2012-Present) Saga is a multi-issue (right now there are 54, and production has been on hiatus since 2018) science fantasy-slash-space romance created by Brian K. Read a translation of Act 1, scene 1 — Summary: Act 1, scene 2 At a military camp near his palace at Forres, King Duncan of Scotland asks a wounded captain for news about the Scots' battle with the Irish invaders, who are led by the rebel Macdonwald. "Fun Home: A Family Tragicomic," by Alison Bechdel (2007) Fun Home: A Family Tragicomic is a bestselling graphic memoir that primarily tells the story of the author's relationship with her father, the director of a funeral home that his family nicknames the "Fun Home." It's not until Alison comes out as a lesbian in college that she learns her father is also gay — right before he passes away just weeks afterward, leaving Alison to untangle the many questions she's struggling to answer regarding her father's hidden life. Whether you're into memoirs or fantasy, and whether you adore colorful digital artwork or the homespun charm of pen-and-ink drawings, you're sure to find something you love looking at just as much as you love reading it. Fables: Legends in Exile is the starting point for newcomers; it offers the first five issues of the original comic plus an additional called 'A Wolf in the Fold'. Banquo asks whether they are mortal, noting that they don't seem to be "inhabitants of th' earth" (1.3.39). As quickly as they arrive, they disappear. While it can be easy to get overwhelmed by the huge number of choices you have, certain graphic novels have established themselves as landmarks of the genre — or are definitely on their way there — which makes them great starters to pick up and peruse. "Your children shall be kings," he says to his friend, to which Banquo responds: "You shall be king" (1.3.84). Duncan thanks the two generals profusely for their heroism in the battle, and they profess their loyalty and gratitude toward Duncan. MORE FROM ASK.COM In celebration of Free Comic Book Day on May 1, take a look at some of the most iconic, celebrated and popular graphic novels in print. His reaction to the prophecy displays a fundamental confusion and inactivity: instead of resolving to act on the witches' claims, or simply dismissing them, Macbeth talks himself into a kind of thoughtful stupor as he tries to work out the situation for himself. Suddenly a drum beats, and the third witch cries that Macbeth is coming. Plans are made for Duncan to dine at Macbeth's castle that evening, and Macbeth goes on ahead of the royal party to inform his wife of the king's impending arrival. Juggling relatively adult themes — particularly because the characters are at the precipice of adulthood themselves — against a backdrop of bright colors and a familiar art style, Laura Dean Keeps

Breaking Up With Me is ideal if you're looking for deep characters and a story that champions diversity and queer themes. Fables' litany of characters elevated the series above many of its contemporaries, alongside Willingham's ability to tackle themes – sometimes with grace and tact, and other times with grace and efficiency, but always with authenticity. Read more about foreshadowing in Macbeth. And the struggles and trials Maggie endures while figuring out her own identity during a transformative summer — along with period details that'll transport you right back to the late 1990s — will resonate with anyone who's encountered that uniquely teenage brand of hope and longing. It's a "superb example of the art of cartooning; the blending of word and picture to achieve an effect that neither is capable of without the other," and it demonstrates precisely why and how graphic novels can be so engrossing. Whenever they appear, the stage directions deliberately link them to unease and lurking chaos in the natural world by insisting on "Thunder" or "Thunder and lightning." Shakespeare has the witches speak in language of contradiction. Read a translation of Act 1, scene 2 — Summary: Act 1, scene 3 On the heath near the battlefield, thunder rolls and the three witches appear. This line echoes the witches' words and establishes a connection between them and Macbeth. Macbeth is baffled by this second title, as he has not yet heard of King Duncan's decision. "The Sandman," by Neil Gaiman (1989–1996) Want to jump straight to the top and read one of the most acclaimed graphic novels — maybe of all time? They call Banquo "lesser than Macbeth, and greater," and "not so happy, yet much happier"; then they tell him that he will never be king but that his children will sit upon the throne (1.3.63–65). Amidst the competition to become "Honor Girl," the camper who best represents the qualities the camp tries to instill in those who spend their summers reenacting Civil War battles and shooting rifles, Maggie navigates heartache and the gripping fear of what other campers will do if they find out she's gay. Read a translation of Act 1, scene 4 — Analysis: Act 1, scenes 1–4 These scenes establish the play's dramatic premise—the witches' awakening of Macbeth's ambition—and present the main characters and their relationships. Check out Neil Gaiman's The Sandman, which was one of the first graphic novels to make it onto The New York Times' Best Seller List. One says that she has just come from "[k]illing swine" and another describes the revenge she has planned upon a sailor whose wife refused to share her chestnuts. But suffice it to say that if you like unique domains, all-powerful beings and dark fantasy, The Sandman has your name all over it. It's a story of unearthing the self and trudging through the grief that bubbles up when we think back on people we've lost, choices we've made and past selves we've abandoned, and the catharsis Fun Home provides is a reward all on its own. Macbeth, amazed that the witches' prophecy has come true, asks Banquo if he hopes his children will be kings. Aiming to show the realities of living in Iran during a time of major social and political upheaval — not the biased, agenda-driven media version of the Iranian Revolution that, according to the author "didn't represent my existence at all" — Satrapi provides visual context for global readers using weighty black-and-white artwork and a beautifully woven story. Macbeth fixates on the details of the prophecy. Macbeth declares his joy but notes to himself that Malcolm now stands between him and the crown. When Neil Gaiman was asked to attempt to explain the plot in a single sentence, he replied, "The Lord of Dreams learns that one must change or die, and makes his decision." Cryptic? The stage directions indicate that the play begins with a storm, and malignant supernatural forces immediately appear in the form of the three witches. Duncan announces his intention to name Malcolm the heir to his throne. withPage 2 Photo Courtesy: DC Comics Accessible, beautiful, engaging — graphic novels have so many qualities that make them utterly captivating. Photo Courtesy: DC Comics Grant Morrison originally penned this three-issue series back in 2005 while Frank Quitely provided this story's now-iconic artwork. Photo Courtesy: Amazon As one of the American Library Association's "Top 10 Most Challenged Books" due to its depictions of politics, religion, race and other important topics, you shouldn't expect Persepolis to be a walk-in-the-park read. Such speech adds to the play's sense of moral confusion by implying that nothing is quite what it seems. As they leave, Macbeth whispers to Banquo that, at a later time, he would like to speak to him privately about what has transpired. But, woven with mythology from a variety of different ages, the storyline itself can be a bit tricky to summarize. Macbeth is a noble and courageous warrior but his reaction to the witches' pronouncements emphasizes his dark desire for power and prestige. Photo Courtesy: Amazon As the on-again, off-again relationship continues to play out, however, Freddie is forced to take a look at whether riding this emotional roller coaster with Laura Dean is really worth the consequences. Morrison juxtaposes death and callousness with love and compassion, then asks readers to determine how much a life is worth — be it a person's life or an animal's. "Saga," by Brian K. From there, the action quickly shifts to a battlefield that is dominated by a sense of the grisliness and cruelty of war. Absolutely. As the captain is carried off to have his wounds attended to, the thane of Ross, a Scottish nobleman, enters and tells the king that the traitorous thane of Cawdor has been defeated and the army of Norway repelled. Interestingly, Macbeth's first line in the play is "So foul and fair a day I have not seen" (1.3.36). "If you're an adult...and you want to get into comics...then pick up Saga." "Blankets," by Craig Thompson (2003) Blankets recounts the story of a young Craig Thompson, who was raised in an Evangelical Christian family from the Midwest. Page 2 Thunder and lightning crash above a Scottish moor. The captain then describes for Duncan how Macbeth slew the traitorous Macdonwald. Read more about whether Lady Macbeth is a villain or victim. This coming-of-age story also looks into the subtleties of family dynamics — in particular at how religion influences those relationships — and how we re-process and reframe our formative years when looking back on them as adults. Banquo replies that devils often tell half-truths in order to "win us to our harm" (1.3.121). Macbeth immediately realizes that the fulfillment of the prophecy may require conspiracy and murder on his part. Find the quotes you need to support your essay, or refresh your memory of Macbeth by reading these key quotes. Loss, abandonment, and identity are just some of the motifs found throughout this harrowing tale. Duncan decrees that the thane of Cawdor be put to death and that Macbeth, the hero of the victorious army, be given Cawdor's title. "Persepolis," by Marjane Satrapi (2000) A veritable titan in the world of graphic novels, Persepolis is a highly acclaimed autobiographical tale that recounts the author's childhood during the 1979 revolution in Tehran, Iran, and charts her adolescent years in Vienna, Austria. The manga-style story follows Frederica Riley, or "Freddie," a self-conscious teenage girl who finds herself in a relationship with the popular Laura Dean — who, as the title reveals, continually breaks up with Freddie at random whims, only to restart their relationship over and over. Lady Macbeth and the three witches are extremely wicked, but they are also stronger and more imposing than the men around them. In his description of Macbeth and Banquo's heroics, the captain dwells specifically on images of carnage: "he unseamed him from the nave to th' chops," he says, describing Macbeth's slaying of Macdonwald (1.2.22). In the following scene, Lady Macbeth will emerge and drive the hesitant Macbeth to act; she is the will propelling his achievements. He wonders whether the reign will simply fall to him or whether he will have to perform a dark deed in order to gain the crown. Ross tells Macbeth that the king has made him thane of Cawdor, as the former thane is to be executed for treason. He clearly allows himself to consider taking such actions, although he is by no means resolved to do so. Bandit the dog, Tinker the cat, and Pirate the bunny are three cybernetically enhanced "animal weapons" created by the American government to serve as the ultimate soldiers – until they're deemed expendable. Once Lady Macbeth hears of the witches' prophecy, Duncan's life is doomed. The sinister witches cast the mood for the entire play. Photo Courtesy: Amazon The winner of two Eisner and three Harvey Awards, Blankets is full of lush, flowing ink drawings that will drop you right back into the joys and angst of early adolescence. "Saga is one of those comics that proves the value of the medium," notes Luke Frostick of Bosphorus Review. The likes of Snow White, Pinocchio, Prince Charming, Beauty and the Beast, and the Big Bad Wolf dwell in the fictional New York community of Fabletown. There, they try to eke out normal lives for themselves – or as "normal" as these larger-than-life figures can manage. Photo Courtesy: Wikimedia Commons Each tome is packed with gorgeous, colorful artwork from some of the most talented artists in the medium. Three haggard old women, the witches, appear out of the storm. Macbeth implores the witches to explain what they meant by calling him thane of Cawdor, but they vanish into thin air. The tales they tell aren't just interesting; their artwork adds another dimension altogether, making them a feast for your brain and your eyes. "Fables: Legends in Exile," by Bill Willingham (2012) At its core, Fables is a story about stories. Named one of Forbes' Best Graphic Novels of 2019, writer Mariko Tamaki and illustrator Rosemary Valero-O'Connell's Laura Dean Keeps Breaking Up With Me takes an honest look at toxic relationships. Read a translation of Act 1, scene 3 — Summary: Act 1, scene 4 At the king's palace, Duncan hears reports of Cawdor's execution from his son Malcolm, who says that Cawdor died nobly, confessing freely and repenting of his crimes. Quick and to the point analysis with a myriad ways to differentiate and offer student choice. It's a piece of literature in its own right, one that demands critical thinking and forces us to contemplate the realities of war and the way the media shapes our perception. Macbeth ignores his companions and speaks to himself, ruminating upon the possibility that he might one day be king. "We3," by Grant Morrison (2005) For a story centered around animals, We3 hits on a myriad of deeply human themes. Vaughan and illustrated by Fiona Staples. In a tale told through flashbacks, the graphic novel follows Craig as he falls in love with a girl named Raina during a winter church camp and the two explore the struggles of faith, adolescence and relationships. Between 1989 and 1996, Gaiman produced an incredible 75 total issues, along with one special and multiple spinoffs, which are now available in several volumes. Characters from fairy tales, nursery rhymes, and old wives' tales serve as the primary protagonists, and antagonists, of Bill Willingham's legendary series. Their famous line "Fair is foul, and foul is fair" is a prominent example (1.1.10), but there are many others, such as their characterization of Banquo as "lesser than Macbeth, and greater" (1.3.63). This series examines how we shape stories, and how we're also shaped by them in turn. The witches hail Macbeth as thane of Glamis (his original title) and as thane of Cawdor. But you should expect this award-winner to be illuminating and unforgettable. Photo Courtesy: Amazon The artwork in this graphic novel is simple, almost resembling something a teenager would've drawn during art class at camp, and that only adds to its charm — it's immersive and folksy enough to make it feel as though you've fully been invited into Maggie's mind. The three are rescued from the military by their creators and set immediately out on a journey to find "HOME". At the same time, the first three scenes establish a dark mood that permeates the entire play. Analyzing Shakespeare's Plays: Acts & Scenes Grades 5-12 + – 70+ Slides & Activities [Full Editable! in PPT!] Product Overview: Lead your students Exploring, Analyzing, Critiquing the Shakespeare's famous plays with these In-depth Analysis Templates and Graphic Organizers. He also wonders whether they are really women, since they seem to have beards like men. In disbelief, Macbeth and Banquo discuss the strange encounter. The bloody murders that fill the play are foreshadowed by the bloody victory that the Scots win over their enemies. The captain, who was wounded helping Duncan's son Malcolm escape capture by the Irish, replies that the Scottish generals Macbeth and Banquo fought with great courage and violence. "Honor Girl," by Maggie Thrash (2017) In Honor Girl, Maggie Thrash recounts her teenage summers spent traversing the pressures of adolescence at the all-girls Camp Bellflower in the Appalachians. Macbeth and Banquo, on their way to the king's court at Forres, come upon the witches and shrink in horror at the sight of the old women. In eerie, chanting tones, they make plans to meet again upon the heath, after the battle, to confront Macbeth.
